

Our Veteran's Prayer

Dear Lord, we are so thankful for our Veterans, the worthy men and women of our Nation who answered the call to serve our great Country. We are so thankful for their selfless service in our continual struggle to preserve our Nation's freedoms, safety, heritage and our personal "way of life". We pray Lord that You would use these two books from the Bible, John and Romans, Your "Living Word", to lead them to a "Saving Knowledge" in your Son Jesus Christ. Help our Veterans and their families Believe and Trust in Jesus Christ through Your Gospel Message. We Pray Lord that each Veteran and family member would choose to follow You and that you would Lead them, Guide them and Protect them until You call them home to Heaven. We thank you Lord and pray all these things in Jesus' wonderful name – Amen.

We would like to encourage all of our Veterans to visit our website anytime day or night where we link to many different ministries, organizations and resources that can help Veterans in a variety of different ways.
