INTRODUCTION

(Important: Please Read This First)

About 150 thousand people die every day – over 54 million every year. Most of them hoping they will make it to Heaven. The Bible tells us however, few of them ever will. Why? Because few people ever take the time (like you are right now) to find out what it takes to get Heaven Ready.

You see, most people think that going to Heaven has something to do with being Religious, being a Good Person or doing Good Deeds. The Bible makes it clear however that going to Heaven has nothing to do with any of these things!

God has a simple message that he wants everyone on planet earth to hear. Regardless of Who you are, Where you live or What you believe.

Now although God's Message is a simple one, it's the most important message that anyone can ever hear because how you chose to respond to God's Message will determine where you spend eternity.

Now we realize that when it comes to Heaven people all around the world have many different ideas about what it takes to get to Heaven; different Beliefs, different Paths, different Religions.

But what we seem to forget in all this is that Heaven doesn't belong to US so it's not up to US to determine who can go and what it takes to get there. Heaven belongs to God and HE ALONE decides who can enter Heaven and what it takes to get there.

So what we need to understand is that regardless of what WE might think or what WE might believe, it's only "GOD'S WAY" that matters.

In the pages of the book we call the Bible, the book that God Himself authored, God reveals the one and only path to Heaven, a path so clear and so simple that even a small child can understand it.

So continue reading this short book and after we discuss some common misconceptions about Heaven, we'll show you right from "God's Word", His Simple Plan of Salvation and exactly what "God Says" it takes to get to Heaven and have Eternal Life.

Part One

Does Everyone Go To Heaven?

Some people picture God as an old, long-bearded Grandfather figure that is loving, kind and gentle and they'll say, "My God would never send anyone to a terrible place like Hell."

And they're absolutely right! Their god couldn't send anyone to Hell - because their god doesn't exist. They have created a god in their own mind that they are comfortable with, a god that conforms to what they want to believe.

This belief is called Universalism and these people believe that everyone will go to Heaven regardless of who they are, what they do or what they believe.

The god of Universalism may be the god many choose to believe in, but that's NOT the God of the Bible. The one true God of the Bible is Holy, Just, Pure and Righteous and promises to punish all sin.

While Jesus was still here on earth, He taught a lot about the reality of Heaven but He taught even more on the reality of Hell. on both Heaven and Hell, He taught more about the dangers of Hell than he did the wonders of Heaven. He taught that only those who were “Born Again” would ever be able to enter Heaven and those that were NOT never enter Heaven and He taught of the reality of

Not only did He warn that those who were not “Born Again” would never enter eternal Heaven, He warned of the reality of eternal Hell which is the only alternative to Heaven.

John 3:3

Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God.

Matthew 5:29-30

29 And if thy right eye offend thee, pluck it out, and cast it from thee: for it is profitable for thee that one of thy members should perish, and not that thy whole body should be cast into hell.

30 And if thy right hand offend thee, cut it off, and cast it from thee: for it is profitable for thee that one of thy members should perish, and not that thy whole body should be cast into hell.

Mark 9:47

And if thine eye offend thee, pluck it out: it is better for thee to enter into the kingdom of God with one eye, than having two eyes to be cast into hell fire:

Matthew 5:22, 29-30; 10:28; 18:9; 23:15, 33; Mark 9:43, 45, 47; Luke 12:5; James 3:6).

The Bible gives us clear warning that every wicked person will be cast into the “Lake of Fire”, a reference for Hell.
